Bring your family and friends along to the 2019 Lord Mayor’s Show. See the new Lord Mayor of the City of London take to the streets in a glittering coach as part of a three-mile long ceremony full of innovation, spectacle and pageantry.

**THE ROLE OF THE LORD MAYOR AND THE CITY OF LONDON CORPORATION**

The annually elected Lord Mayor is head of the City of London Corporation – the governing body of the City. It is dedicated to a vibrant and thriving City, supporting a diverse and sustainable London within a globally-successful UK.

The Lord Mayor plays a key role in ensuring the City remains a global hub for finance and professional services, commerce and culture.

As an international ambassador for UK-based financial and business-related services, the Lord Mayor spends around 90 days a year leading business delegations abroad to key markets and financial centres. This involves meeting those at the highest level of business.

With four City bridges already transformed in a spectacular rolling programme of lights, as part of the Illuminated River project, something special is planned to mark the new Lord Mayor taking office. Visit the Show website or follow us on social media for more details nearer the time.

The Show connects the 21st century City to its medieval roots – from pikemen, livery companies, military bands and carriages to community groups, trade bodies, modern technology and performance.

More than 7,000 people, 200 horses and around 150 floats will travel from Mansion House to the Royal Courts of Justice and back in a glorious celebration of the capital: the Lord Mayor’s Show is the oldest, biggest and best free day out in London.

**SHOW ZONES**

Alongside the procession, Paternoster Square and Bloomberg Arcade will host the Show Zones. A full programme of entertainment and activities will be running in both locations, kicking off at around 12noon and running until approximately 5pm, with the entertainment carefully planned around the procession, so the audience can enjoy both.

The Show Zones will provide free, family friendly entertainment, with performances from a host of local bands, choirs, dancers and activities such as face painting, walking tours and craft workshops. Other attractions include exciting fairground rides in St Paul’s Churchyard and food stalls in Paternoster Square.
